**ORDER GRANTING DEFENDANTS' UNOPPOSED MOTION TO DETERMINE  
CONFIDENTIALITY OF COURT RECORDS  
*(Summary of Opinions of David Eisenstadt)***

This matter is before the Court on Defendants' Unopposed Motion to Determine Confidentiality of Court Records ("Motion to Determine Confidentiality") pursuant to Florida Rule of Judicial Administration 2.420 for an order determining the confidentiality of particular information set forth in the Notice of Filing Summary of Opinions by David Eisenstadt and its exhibit (Summary of Opinions of David Eisenstadt ("Summary")).

Having considered the motion and legal authority, and otherwise being fully advised as to the grounds for the motion, the Court **GRANTS** the motion as follows:

1. Confidentiality of the information is required in accordance with Florida Rule of Judicial Administration 2.420 to protect the information in the Summary, as Plaintiffs have designated the Summary as “Highly Confidential—Attorney’s Eyes Only” within the meaning of the parties’ stipulated confidentiality order. This designation is used for “any document or portion of a document and any other thing, material, testimony or other information, including trade secrets, that [the party] reasonably and in good faith believes is of such a commercially or competitively sensitive nature that disclosure to persons other than those specified herein . . . could reasonably be expected to result in injury” to that party.

2. The Court further finds that no less restrictive measure is available to protect these interests, and that the degree, duration, and manner of confidentiality ordered herein are no broader than necessary to protect the interests.

**WHEREFORE**, it is hereby **ORDERED** that the Clerk of the Circuit Court is hereby directed to treat as confidential immediately the following materials related to this matter and to keep such materials from public access: the complete copy of the Summary of Opinions of David Eisenstadt, which was filed as Exhibit A to the Notice of Filing.

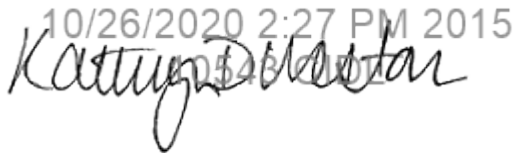

It is further **ORDERED** that the Clerk is authorized to open any materials determined to be confidential pursuant to this Order for the purpose of filing, microfilming, or imaging files, or transmitting a record to an appellate tribunal. The materials shall be treated as confidential immediately upon completion of the filing.

It is further **ORDERED** that any materials determined to be confidential pursuant to this Order may otherwise be disclosed only as follows:

1. to any judge of this Circuit for case-related reasons;
2. to the Chief Judge or his or her designee;
3. to an authorized government agency;
4. by further order of the Court.

It is further **ORDERED** that, within 10 days of the date of this Order, the Clerk shall provide public notice on the Clerk's website, and at the Volusia County Courthouse if practicably feasible, for a period of 30 days.

**DONE AND ORDERED** in chambers, Deland, Volusia County, Florida.
